*Continue on extra sheets if you need to.*

*This part could be completed by the Student, but should be checked by the Parent / Guardian before submission.*

Sometimes, students become inattentive (we would like to know if this may be the case, or if the student is simply the silent type). If the student may be unsupervised, these activities could be postponed until an adult is available.*

### The Small Print

**Briteschool** cannot compel students to work, nor do we take responsibility for inactivity of students. We do monitor and report on student progress and you will be notified of any concerns **via your email address**, and / or via the school's "Interact" Community Area (CA, which is a Virtual Learning Environment).

BRITESCHOOL takes responsibility for all material in the BRITESCHOOL online community and on the BRITESCHOOL web site. We cannot, however, monitor students' activity on the rest of the World Wide Web. We take no responsibility for any unsuitable material that students may come into contact with while using the World Wide Web. BRITESCHOOL make no assurances as to students' academic success, be it exam results or otherwise.

BRITESCHOOL requires an active interest to be taken by parents/guardians in the education of their children. BRITESCHOOL is not a 'holistic' education system; we offer a complementary educational package, which should be integrated with input and support from other sources.

BRITESCHOOL undertakes to ensure that the servers we rent are working at all times. If the server should go offline, BRITESCHOOL's sole responsibility is to ensure that the hosts return the server to normal working order within a reasonable period of time. We do have alternative environments in place, and may use those in the interim. If BRITESCHOOL's core provision (lessons) are offline for more than three full days per academic year, we will EITHER provide additional days, OR provide a partial refund.

**Age of Child**    All students must be 18 years of age or under on the 1 September. All applications must be accompanied by evidence of age.

**Medical and other conditions**    The BRITESCHOOL administration should be informed via email of all medical conditions and special learning needs that might affect learning on BRITESCHOOL; at the very latest, on application, or as soon as identified thereafter. Thanks :-)

**Exclusion, suspension or criminal conviction**    BRITESCHOOL must be informed by email or in writing if a prospective student has been excluded or suspended from a previous school or has any criminal convictions. The information will be treated as confidential and will only be provided to teachers if the Headteacher regards it as essential to do so. No student will be prejudiced against as a result of their past history. BRITESCHOOL reserves the right to refuse an application from a family or school, where, in the opinion of the Headteacher, a student's enrolment with BRITESCHOOL is likely to jeopardise the wellbeing or academic progress of existing students. The Headteacher's decision in such matters is final.

**General**    \* **Students should sign into lessons at least five minutes PRIOR to the scheduled start of class**, to allow the slides to load, and for synchronisation of all attendees' machines. Repeated failure to show this courtesy to the other students and the teacher delays the start of the lesson, and may result in suspension of services.

Signing the BRITESCHOOL enrolment form, emailing or sending electronically the enrolment form to us or providing BRITESCHOOL with your credit or debit card details, sending a signed cheque or setting up an agreement with your bank to make payments to BRITESCHOOL creates a binding contract between BRITESCHOOL and the signatory or payee, whereby the signatory or payee denotes his or her agreement with these terms and conditions.

Any **change of address**, telephone number or email address must be notified to the BRITESCHOOL office in writing as soon as possible.

All **complaints** regarding BRITESCHOOL MUST be submitted in writing - either via email or by letter.

Failure to pay by the due date described in the payment schedule may ultimately result in the suspension of access to the BRITESCHOOL facilities, but please contact us if payment difficulties are likely. **The Student's continued education is of paramount importance to us, and we can be (and have been !) flexible.**

**\* IF YOU LEAVE BRITESCHOOL, ANY REFUNDS WILL BE PRO-RATA.**

BRITESCHOOL is an online organisation. All notices regarding BRITESCHOOL policy, as well as important information to parents will be emailed to the email addresses provided, but **BRITESCHOOL cannot be held responsible for non-delivery of emails**. BRITESCHOOL cannot be held responsible for loss, damage or any other unfortunate circumstances that arise from parents missing information as a result of a failure to check emails.

**\* No other person except the registered user may log into the classroom or any of the electronic systems of BRITESCHOOL using their own username and password. This includes brothers, sisters and other close family members. Disclosal of identities, classroom links, or passwords is GROUNDS FOR INSTANT DISMISSAL, with NO REFUNDS OFFERED. This is because the BRITESCHOOL Learning Environment is secure, and breaches are only likely to come from within. If a password is given out, then we may have to purchase a whole new classroom to prevent others entering again.**

**Connectivity**    We can help with optimising your connectivity, but, ultimately, the connection is **your responsibility**. Hard-wired is best.

**\* Wireless connections ARE problematic. We reserve the right to suspend services due to a student's poor connectivity or timeliness to class, both of which can affect OTHERS' service from Briteschool.**

**Suspension**    BRITESCHOOL reserves the right to suspend or terminate a student's/parent's Classroom and any other account(s) without prior notice. Further, BRITESCHOOL reserves the right to limit access to certain areas of BRITESCHOOL, at the discretion of the Headteacher. Written reasons for such suspension will follow within 72 hours of the suspension. Likely reasons for suspension are: persistent latecoming to class; divulging password or links to an unauthorised person;

**\* repeated non-submission of homeworks without good reason ("we are not a Health Club !").** Let your teacher know if the occasional homework is to be missed :-)

**BRITESCHOOL material/licensing**    All BRITESCHOOL material is licensed for use by the named student and not for any other person or organisation. In a purchasing school, this means that BRITESCHOOL material can only be used by the participating student. BRITESCHOOL material may not be copied or distributed or used for any purpose other than that for which it is intended. BRITESCHOOL materials are provided for the sole purpose of supporting parents and/or schools in educating students who hold an active account provided by BRITESCHOOL.

**Definitions**    Wherever 'you' appears in this document, it refers to the subscriber or purchasing family or institution.

Wherever 'we' and 'our' and 'us' appears in this document, it refers to Briteschool.

**Child Protection.**    All families who enrol with BRITESCHOOL must abide by our Child Protection Policy. A copy of this can be downloaded from the website on the page <http://www.briteschool.co.uk/legals.htm>, and may be requested from [admin@briteschool.co.uk](mailto:admin@briteschool.co.uk).

**Data protection**    The information you provide to us, electronic, written and verbal may be held on our database, in accordance with the Data Protection Act. (1998) We are undergoing registration under the 1998 Data Protection Act. Should you leave Briteschool within 28 days of first joining, all your confidential data would normally be destroyed within 28 days of your departure. For students who attend longer, data may be held on backup media for longer periods. Passport, ID data, and home address information will normally be password-protected. Email addresses will be routinely-used for multiple communications, so will be available to all teachers, parents / guardians and students. If you do not wish this to be the case, please set up a **separate new email address** for Briteschool's use.
